Sometime you will spot the big smoke erupted from Mt Semeru in every 20-30 minutes or so. Hopefully we will arrive in Ranu Kumbolo in afternoon, then having lunch and short break.

Our journey continue to Kalimati (Dead River) with passing vast field of savannah just about the feet of Mt Semeru. Here you will stay in a camp, having resting to prepare summit attack in the midnight. As the climbing will take tool of energy we suggest you to have a good sleep.

Day 19 SEMERU SUMMIT – RANUKUMBOLO – RANUPANE VILLAGE – MOUNT SAWUR (B,L,D)

In the dark you will start climbing on rough ground, steep hike about an hour to Arcapada. You have to be careful due the landslide common happen in these area, so make sure that you have a strong torch to light your path. The route to the summit quite straightforward, in the sandy loose ground will again test your stamina. Prepare to slide down when you try to go up. Having trekking poles will be valuable to help you balances with the movement. Most people reach the summit about 3 hours, but it depends on everybody's ability to keep going. It's been advised by National Park to decent the summit before mid day due the gas produces by continuing smokes of Mt Semeru.

Reaching the summit (Mahameru) you will enjoy the view of the major part of East Java. You will stand in the highest mountain in Java. You have to see the small-scale eruption every 20 minutes full of smokes and stones. So enjoy your achievement today, you've deserved it but mind do not too close to the crater as the Mt Semeru is an active volcano.

Then we descend from summit back to Kalimati (camp) to have breakfast and to rest for a long morning trek. After breakfast we will continue to Ranu Kumbolo and will back trekking to Ranu Pane village using different router via Mount Ayek-ayek the foot of Mount Semeru.
